2 May 2023

KCS/2023/197

Dear Parents/Guardians,

### 1. KCS Open House 2023

We are delighted to inform you that there will be an on-site KCS Open House on **27 May, Saturday from 9.30 a.m. to 12.00 p.m.** There are student-led and self-guided tours to showcase our CCAs and special programmes for prospective KCS parents and their Primary 1-going children to view. There are also fringe activities for all to take part in. Help us share the news with your friends and save the date to join us that morning!

### 2. World Red Cross Day

On **15 April 2023**, our Red Cross Links received the Excellent Unit Award 2022 (Gold) at the World Red Cross event. This annual event was held at Victoria School. The annual event aims to recognise our school's outstanding service, contributions and achievements to the Singapore Red Cross Youth. Our best Links member, Amanda Beh Jia Yi of class

P6.7, was awarded the Director's Award. Our Primary 6 graduating Links members also pinned the enrolment badges for our Primary 3 new Links members to signify the start of their journey in Red Cross. It was a memorable day for Kheng Cheng School's Red Cross CCA.

### **3. 2023 Primary One Registration Exercise - Phase 1 Registration**

The Phase 1 registration is for a Singapore Citizen (SC) or Permanent Resident (PR) child born between **2 January 2017 and 1 January 2018** (both dates inclusive) and has a sibling currently studying in our school. For the 2023 Primary 1 Registration Exercise (2023 P1 Ex), parents who are registering their younger child under Phase 1 are to register during the Phase 1 registration period **in early July 2023**. Parents are not required to submit Phase 1 registration from **April 2023**. If your child is a non-SC / non-PR and thus not eligible for Phase 1, please submit an online indication of interest **in end May or early June 2023**. More updates on the Primary 1 Registration Exercise (2023 P1 Ex) will be provided on the [MOE P1 website](#) **by May 2023**.

### **4. Learning Festival**

The Learning Festival is a new event in Kheng Cheng School. It will be held on the last week of Term 2 where we want to celebrate our learning for the semester. It is a culmination of activities from the Applied Learning Program (ALP), Learning for Life Program (LLP), Education and Career Guidance (ECG), English and Mother Tongue Languages, Mathematics and Science. Students from all levels will have time set aside to engage in S.T.E.A.M.-related activities like learning coding, attending theatre shows, appreciating performances such as Reader's Theatre and engaging in cultural craft activities.

### **5. Parent-Teacher Meeting (PTM)**

To foster strong home-school partnerships, it is important for us to continue to provide feedback on your child's/ward's learning progress. We have scheduled a PTM for Primary 1 to Primary 6 students on **22 May, Monday and 23 May, Tuesday**. This year, you will have the opportunity to speak with your child's/ward's core subject (English, Mathematics, Science and Mother Tongue) teachers. Details of the PTM, including the booking of time slots, will be shared with you via Parents' Gateway.
